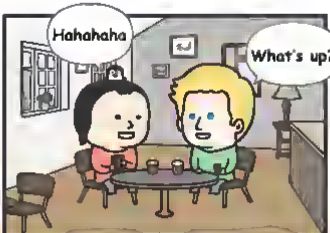
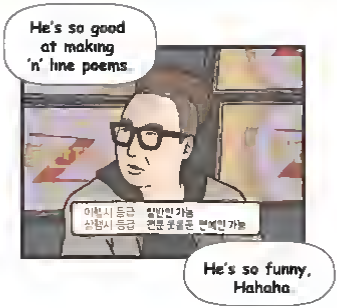
Five Line Poems

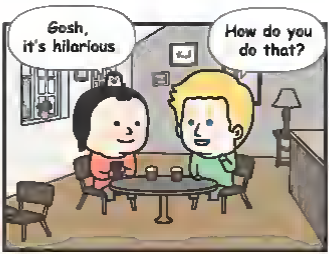


One day, I burst into laughter

I saw some clips of the show, Infinite Challenge. It's so funny.
Ah~

You know the oldest member?
Uh... Yes!





I started to explain Mev how to make the poem

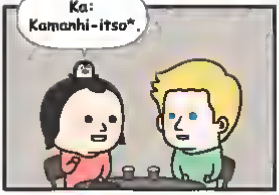
As it says, you're making a poem with 'n' lines.

For example, a 2 line poem.

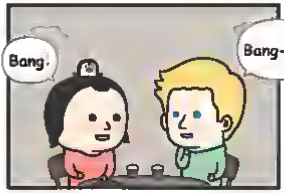
'Kabang*' has two syllables.

So you make two lines, one starts with 'ka' and the other 'bang'.

* Bag

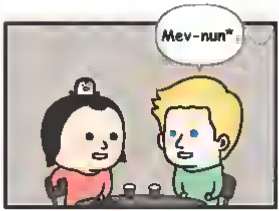


* Stay calm



*Fart

Me!

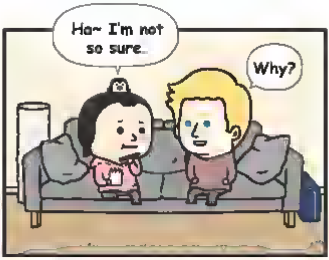


*Mev is..

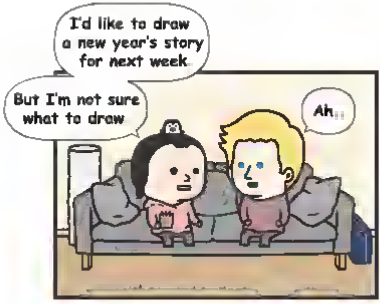
Vu!

* Soft

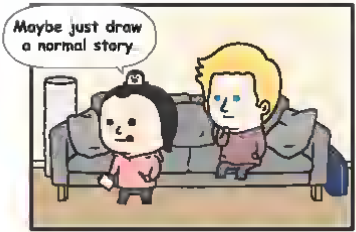
Mev got into making 'n'line poems from this moment.



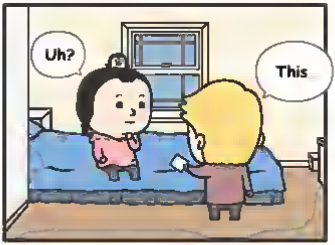
Ha~ I'm not so sure...
Why?



I'd like to draw a new year's story for next week.
But I'm not sure what to draw
Ah...

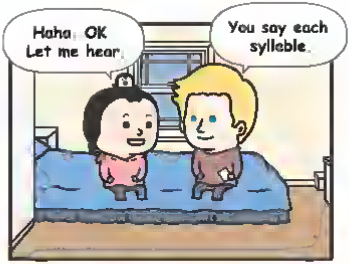


Mev saw that
I had difficulty in choosing a story.
After a while...



*해피뉴이어

Mev turned up with his 5 line poem.



좋은 날

*When it's sunny.

피가 와 는 날

*When it's rainy

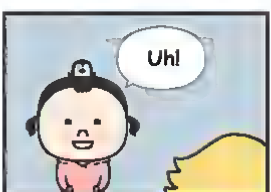
뉴욘 와 는 날

(항상)

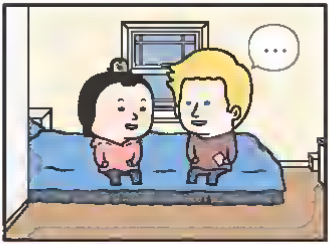
*When it's snowy (always)

이 사람
사랑해요?

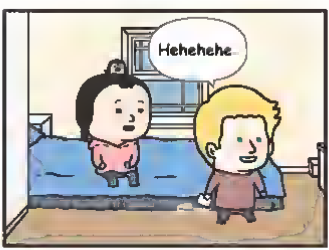
*Do you love this person?



*Yes



...



Hehehehe

Happy
New
Year!
